

NAUTILUS[®] INSPIRATION

The Nautilus Inspiration Leg Press is meticulously designed to foster powerful lower body strength and well-defined legs. With its integrated beveled lower edge, the Inspiration Leg Press seamlessly integrates a leg press and calf raise, creating an all-in-one lower body strength training system. From the optimal pre-stretch position users will operate the leg press with a friction-free movement allowing them to key in on the mind muscle connection. The Inspiration Leg Press is the quintessential piece to solidify a strength circuit worthy of a proper let day.

LOCK N LOAD[®] WEIGHT SELECTION

Selecting a weight with the intuitive Lock N Load design is as easy as flicking a switch. Universally color coded switches engage and disengage the weight via an internal pin, providing a safer, more durable and maintenance free operation. Lock N Load prevents unnecessary maintenance headaches since there are no pins to lose or replace.

SMART TOWER DESIGN

The beautifully designed Nautilus Inspiration line, with their uniform 64" (163 cm) towers, deliver superior lines of site across your venue and create a visually powerful impression during facility tours. The tower housing is designed to accommodate custom graphics and wraps to personalize the equipment in your facility.
