## LOCK N LOAD<sup>®</sup> WEIGHT SELECTION

Selecting a weight with the intuitive Lock N Load design is as easy as flicking a switch. Universally color coded switches engage and disengage the weight via an internal pin, providing a safer, more durable and maintenance free operation. Lock N Load prevents unnecessary maintenance headaches since there are no pins to lose or replace.

## SMART TOWER DESIGN

The beautifully designed Nautilus Inspiration line, with their uniform 64" (163 cm) towers, deliver superior lines of site across your venue and create a visually powerful impression during facility tours. The tower housing is designed to accommodate custom graphics and wraps to personalize the equipment in your facility.
