

SCHWINN

AC™ SPORT 7340

Meet your next workhorse. The AC Sport features a steel frame, Carbon Blue toothed belt for an authentic feel, plus adjustable saddle and handlebar fore and aft sliders. It's a product of input from the world's best cycling instructors and fitness buyers and is ideal for high use studios because it is built to last.

CARBON BLUE DRIVE SYSTEM

The CARBON BLUE BELT replicates the feel of a traditional chain drive giving the rider an authentic outdoor experience. The belt never requires lubrication, tension never needs to be adjusted and the carbon fiber reinforcement is incredibly durable. Our 10 Year Warranty is the longest of any belt or chain on the market.

INNOVATIVE AND POWERFUL

Schwinn's Echelon2 consoles utilize direct or estimated power and can be connected to a group display or leaderboard system via ANT+.

CONNECTIVITY

SMARTER. FASTER. SAFER.

With a rich history in developing sports technology, 4iiii Innovations has worked hand-in-hand with the world's best cyclists to develop an industry-leading powermeter. Using patented 3D strain gauge technology, the 4iiii crank delivers accurate, reliable and consistent data. Trusted by the best athletes in the world, the same technology is now available to indoor riders. Whether it's tracking calories or in-depth power analysis, the 4iiii crank offers accurate results to help riders reach their full potential.

- Most accurate direct crank based power measurement, accurate within <1%
- Bluetooth Smart and ANT+ provides reliable connection to leaderboards, personal tracking apps, sport watches, and consoles
- Reliable, robust and watertight
- The same technology used by professional World Tour cycling teams
- 1500 hours of battery life via 2 standard AA batteries
