

6' HEAVY BAG

TD-HB-6

The 6' Heavy Bag comes standard with T-Flex Tarpoline shell with industrial fiber fill and features nylon, adjustable, webbed hanging straps. The heavy bag hardware kit is included with each bag and made from custom premium wear resistant steel.

PRODUCT SPECIFICATIONS

Dimensions: 72" x 14" (183cm X 36cm)

Weight: 120 lbs (54.4 kg)

Color: Black

USE

The 6' Heavy bag works as a great all-around bag for improving conditioning, developing power, and perfecting technique. The 6' length allows for a wider range of punches and kicks.

CARE

Clean surfaces with a neutral pH cleaner. Avoid contact with rigid or sharp edges or abrasive surfaces. Store in a dry environment. Inspect before use to ensure there is no damage.

COREHEALTHANDFITNESS.COM

Core Health & Fitness is more than gym equipment, we offer innovative solutions for all your facility needs. This is why we've brought together five of the most recognizable fitness brands to ensure our customers can offer their members authentic fitness experiences. Whether working with us directly or through our partners and distributors worldwide, we provide the highest quality equipment backed by a service and support team that will always go the extra mile to get you what you need, when you need it. Partner with us and see how our Core Values motivate our every decision.
