

HIIT UBE 9-4660

When it comes to discipline and perseverance, few workouts will challenge you more than those on the Upper Body Ergometer. Whether used in a rehabilitation setting or high performance fitness center, the HIIT UBE™ adjustable tower, convertible crank arms and comfortable grips let you tailor the workout with the right range of motion for your shoulders, back, wrists, and elbows. An optional ramp and removable bench allows wheelchair access and meets ADA criteria.

THROWDOWN HIIT PROGRAMMING

Have your trainers and coaches HIIT certified by our Master Instructors, leverage our unique HIIT products to attract members and learn to market your own exciting HIIT program to create a new source of revenue for your facility.

TRACK YOUR INTENSITY

Track your workout with detailed metrics, follow one of the built in workout programs, and connect to your phone via Bluetooth to save and share your workout. The console also comes equipped with ANT+ giving you the ability to pair with heart rate trackers and connect to group displays.
